02 — BIOGRAPHY

BORN INTO THE BOOTH

CATH grew up in the night. Her father ran a nightclub, and the booth was part of her childhood long before it became her stage. Piano came first; the decks followed at 15.

Then came Ibiza. She first set foot on the island at 14 and has gone back every summer since, until its club culture became her own — and she moved from the dancefloor to the booth.

For her, a DJ set is never just a run of tracks. It is an energy to share, and a night people should still be talking about the next day.

07 — TESTIMONIALS

THEY BOOKED HER

“CATH brought something different to L’Hermitage: a refined selection and a presence that lights up the whole club. The kind of artist you book once and want back every season.”

CHRISTOPHE — L’HERMITAGE, PYLA-SUR-MER

“Watching her play is half the show. She moves with the room so naturally that the evening simply never slowed down — our regulars still mention it.”

THOMAS — CANOPÉE CAFÉ
