02 — MEDIUM BIO

Biography

Born in Italy, KALOS brings a Mediterranean sense of style to the booth: **elegant, warm, never overdone**.

His sets blend Latin percussion with the precision of minimal and deep tech house. He takes his time, lets each groove breathe and builds the tension track after track, until the floor is **exactly where he wants it**.

Festival stage, rooftop or club night, the aim stays the same: a night that feels **effortless**, with style right up to the closing track.

03 — IDENTITY

The sound, the presence, the progression

SOUND

Latin warmth, deep tech pulse

Latin percussion and rolling basslines, tightened by minimal and deep tech house grooves.

PRESENCE

Calm, focused, in control

Few gestures, full concentration: he lets the music do the talking.

PROGRESSION

Every set climbs

From a Latin house warm-up to a tech house peak, the night builds one step at a time.
