02 — MEDIUM BIO

# Biography

Lola Amber plays for the moment a room tips over — when the conversation stops and the dancefloor takes over. Her sets ride on groove: rolling house, punchy tech house, no wasted bars.

Her 2026 season covered every kind of night: **ultra-exclusive after-parties**, club nights, pool parties, guest slots on house nights — and **World Music Fest**, in front of 1,500 people.

That range — and the confidence to own any of those rooms — is what makes her a natural fit for premium venues and private clients.
